

contour

design ruga,perissinotto

Il divano Contour è disponibile in due versioni, con o senza cuscino seduta separato.
The Contour sofa is available in two versions, with or without a separate seat cushion.

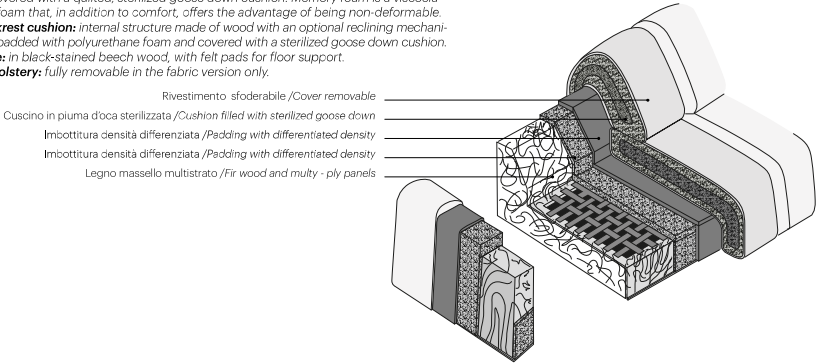

Struttura: fusto in legno massello e multistrato. La flessibilità è garantita da cinghie elastiche intrecciate di larghezza 90 mm.
Imbottitura schienale divano: Imbottitura in poliuretano a densità differenziate, rivestito in tela di cotone 150 gr e vellutino.
Imbottitura cuscino seduta: realizzata in poliuretano espanso a densità differenziate e memory foam il tutto rivestito con un cuscino trapuntato in piuma d'oca sterilizzata. Il memory foam è una schiuma viscoelastica che tra i vantaggi oltre al comfort ha l'indeformabilità.
Cuscino schienale: struttura interna realizzata in legno con meccanismo di inclinazione a scelta, imbottito in poliuretano espanso e rivestito con un cuscino in piuma d'oca sterilizzata.
Basamento: in faggio tinto colore nero, con feltro per appoggio a terra.
Rivestimento: interamente sfoderabile solo nella versione tessuto.

Frame: solid wood and plywood frame. Flexibility is ensured by interwoven elastic straps, 90 mm wide.
Sofa backrest padding: multi-density polyurethane padding, covered in 150 gr cotton cloth and velvet.
Seat cushion padding: made of multi-density polyurethane foam and memory foam, all covered with a quilted, sterilized goose down cushion. Memory foam is a viscoelastic foam that, in addition to comfort, offers the advantage of being non-deformable.
Backrest cushion: internal structure made of wood with an optional reclining mechanism, padded with polyurethane foam and covered with a sterilized goose down cushion.
Base: in black-stained beech wood, with felt pads for floor support.
Upholstery: fully removable in the fabric version only.

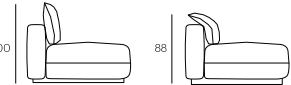

Elementi standard: cuscino seduta separato.
Standard elements: separated seat cushion.

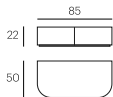

Elementi speciali: seduta monoblocco.
Special elements: monoblock seat.
